Re: Lone Pine Landfill Superfund Site

Dear Ms. Belco:

In reviewing my files this week, I noticed that the attachment to my October 20, 1989 letter to you is erroneous. The list you received is actually a list of responsible parties for another Superfund site. Although I'm not sure how this happened, it is conceivable that various lists were being copied at the same time and were simply mixed up. I apologize for any inconveniences this mistake will cause you. Attached, please find the correct list.

Sincerely yours,

Sharon Jaffess, Geologist
Central New Jersey Compliance Section

Attachment.
